TRAVEL PLANNING OVERVIEW

- When you commit to travel you have to accept that it won't always be a smooth operation. You need to start by selecting your desired destination first. Picking the right destination can help your trip to workout successfully

- Our website will facilitate to choose the best places among karnataka

GOALS

OUR WEBSITE WILL HELP YOU TO CHOOSE THE DESTINATION ,BY GIVING DIFFERENT PLACES LOCATION WITH THEIR OPENING TIMINGS AND REVIEWS TO EXPLORE THOSE EXCITING PLACES

METHODOLGY

To solve the stated problem we used web development as our tool and created a website which previews top cities of karnataka ,where with on click, you can explore most visited temples,cafes,parks and restaurants

With a detailed information about their location address,best time to visit those places,opening and closing timings, and reviews with their image

SPECIFICATIONS

WEB DEVELOPMENT

WE USED VISUAL BASIC STUDIO AS A SOURCE CODE EDITOR

TO CREATE WEB PAGE WE MADE US OF HTML,CSS AND JAVA SCRIPT

LINKS

- Github repository link
